

EPA Certified Renovator Refresher Training

Effective April 22, 2010, contractors who conduct home improvement activities in housing built prior to 1978 and child occupied facilities must be certified in accordance with the new EPA Renovation, Repair, and Painting (RRP) rule.

The City of San Diego Environmental Services Department is offering EPA's Certified Renovator Refresher Training. Individuals who have successfully completed an approved training course may choose to take this EPA four-hour renovation refresher course training in lieu of the EPA eight-hour initial renovation course training. Visit the EPA's website at <http://www.epa.gov/lead/pubs/trainerinstructions.htm#refresher> for a list of eligible courses.

Proof of successfully completion an approved training courses must be provided in order to register for this Refresher training. Upon completion of this training and passing the test at the end of the one-day training, attendees will receive EPA certification as a Certified Renovator. The cost is \$95 per person.
